

HOSPICE AT HOME
WEST CUMBRIA

Friends of Hospice

*Will you help secure
Hospice care for local people?*

None of us know when our lives might be impacted by a life limiting illness and by joining Friends of Hospice, your gift will make a real difference to local people when they need it most.

Friends of Hospice is a way to donate each month and contribute to our essential services, helping us continue providing specialist palliative and end of life support across West Cumbria.

Every penny donated stays in West Cumbria.

Every year we need to raise over £1.3m to support local people as they face their most difficult times, and we rely on the generosity of our community to help us be there when families need us most.

Regular gifts help us to plan for the future, giving us confidence to deliver and develop our services. By joining Friends of Hospice you will be supporting patients and families as they face their most difficult times. And, when it matters most, it means your support will enable patients to have the choice to remain at home, surrounded by loved ones, pets and things which are important to them.
