Welcome from the CEO

We are delighted that you are interested in becoming a member of the Board of Trustees at Hospice at Home West Cumbria.

Who we are

Hospice at Home West Cumbria, founded in 1987, was established with the mission to provide compassionate hospice care to patients in the comfort of their own homes. The organisation has since become widely recognised as "The hospice without walls," reflecting its commitment to delivering high-quality, personalised care outside the traditional confines of a hospital or hospice building. This approach allows patients to receive palliative care that respects their dignity and preferences, ensuring a peaceful and supportive environment during the final stages of life. Our services are delivered free of charge to all those who need them.

The service covers a vast area, ranging from Maryport to Millom, and includes rural locations like Eskdale, Wasdale, Ennerdale, and Buttermere valleys, serving a population of approximately 140,000 people, ensuring that hospice care is accessible to those who need it most.

Hospice at Home West Cumbria is proud to employ over 60 staff members, supported by more than 100 volunteers, and these numbers continue to grow. With the ongoing expansion of our services, we are always looking for compassionate individuals who could be an amazing asset to our team. Whether through providing direct care or supporting our operations, your skills and dedication could make a real difference in the lives of those who need it most. If you're passionate about making a positive impact, we would love to have you join our team.
