

I am a Nurse

I am a nurse

Compassionate, empathetic,
Caring, understanding
Dedicated to my role.

I am a nurse

I listen; do not judge
Offer support
I am a shoulder to cry on.
I bring a smile to someone
In their darkest hours.

I am a nurse

Adaptable, dependable
Kind, thoughtful
Someone who goes
Beyond the call of duty
The heart and soul of caring
Whose job is never easy
But always worth it.

I am a nurse

Someone who makes you feel special
Who has the precious privilege of bringing
A comforting touch at a vulnerable moment.
Someone who is only human
Although many say I am an angel.

I am a nurse

Someone who knows
That every day I will touch a life
Or a life will touch mine.

I am a nurse

It was what I was born to do
I believed I could do it so I did.

I am a nurse

Because I watched my dad die
Because I had an amazing role model
Because I love to care for people in their time of need.
I am proud and fulfilled to be a nurse
My career has been many things but never boring

I am a nurse

I want to make the bad things good
And the good things better.

I am a nurse because

Helping a person live their best life
Regardless of how much time they have left
Comes with a priceless reward.

It is a privilege to be a nurse

And I am a nurse

Because I know I make a difference.
